Overall Length:

19.500 inches

Overall Height:

1.000 inches

Overall Width:

1.130 inches

Mounting Hole Quantity:

3

Mounting Hole Type:

Countersunk

Overall Diameter:

Between 0.280 inches and 0.291 inches

End Application:

Cabinet assembly - high/low voltage

Special Features:

Bracket contains 8 holes total. Three for mounting. Top of bracket has tapered ends on outside corner.

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
