Width:

1.810 inches

Thickness:

0.185 inches

Length:

2.540 inches

Mounting Hole Diameter:

0.265 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

End item nsn: 1025-99-411-1447 m777e1 155mm howitzer

Raised Surface Length:

1.370 inches

Raised Surface Width:

0.250 inches

Raised Surface Height:

0.315 inches

Product Name:

Plate

Material:

Steel

Material Specification:

A331 assn standard single material response

Shape:

D

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
