Overall Length:

21.140 inches

Overall Height:

15.750 inches

End Application:

Nsn 2350-01-513-8431, knight with fs3.

Product Name:

Mount structure

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment Specification:

Mil-std-171 military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-std-171 spec.
