**Overall Length:**

21.140 inches

**Overall Height:**

15.750 inches

**End Application:**

Nsn 2350-01-513-8431, knight with fs3.

**Product Name:**

Mount structure

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250 federal specification single material response

**Surface Treatment Specification:**

Mil-std-171 military standard single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0

**Mil-std (military Standard):**

Mil-std-171 spec.
