NSN 5340-01-528-4726

Double Angle Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-528-4726

Overall Length:
21.140 inches
Overall Height:
15.750 inches
End Application:
Nsn 2350-01-513-8431, knight with fs3.
Product Name:
Mount structure
Material:
Aluminum alloy
Material Specification:
Qq-a-250 federal specification single material response
Surface Treatment Specification:
Mil-std-171 military standard single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
Mil-std (military Standard):
Mil-std-171 spec.
