Width:

1.600 inches

Mounting Method:

Mounting slots

Section Length:

19.500 inches

Side For Which Designed:

Right hand

Height:

0.250 inches

Special Features:

Fabricated from high strength aluminum alloys, chassis sections (removable), with lock mechanism and quick disconnect mechanism

Material:

Aluminum alloy

Style Designator:

1 - piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
