End Application:

C-135 aircraft

Product Name:

Corner fitting-upper inbd-rear spar

Special Features:

Make from 9-60314-3. Item is 0.190 inches thick

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
