**End Application:**

C-135 aircraft

**Product Name:**

Corner fitting-upper inbd-rear spar

**Special Features:**

Make from 9-60314-3. Item is 0.190 inches thick

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-367 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
