Width:

3.250 inches

Thickness:

0.250 inches

Length:

4.000 inches

Mounting Hole Diameter:

0.531 inches first hole

Mounting Hole Quantity:

1

Product Name:

Doubler

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
