Mounting Hole Type:

Plain

End Application:

4940-01-471-6396 electronic shop, transportable

First Leg Thickness:

0.090 inches

Second Leg Thickness:

0.090 inches

Second Leg Style:

Corner radius

Second Leg Relationship To First Leg:

Not identical

First Leg Angle:

90.0 degrees

Product Name:

Support, right hand, video switch

Material:

Aluminum alloy 5052

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
