Overall Height:

55.0 millimeters

Overall Diameter:

320.0 millimeters

End Application:

2320-01-519-8173

Accessory Components And Quantity:

1 quick release pin, 1 rectangular tube, 2 side plates and associated hardware

Product Name:

End stop assembly

Special Features:

Material listed as gbr.12

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
