Width:

3.000 inches

Thickness:

0.187 inches

Length:

6.000 inches

Mounting Hole Diameter:

0.250 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

F-15 aircraft

Product Name:

Latch plate

Special Features:

Fasteners are included; item's function is to provide added support/reinforcement when latched to the munitions trailer

Material:

Steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
