

View Online at <https://aerobasegroup.com/nsn/5340-01-530-9419>

Mounting Method:

Welding projection

Product Name:

Pad eye mk-104 cradle

Special Features:

If fabricated by welding heat treat to t6 condition per mil-11-6088 after welding and anodize per mil-a-8625 type ii class i

Surface Treatment:

Anodize washer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
