**Mounting Method:**

Welding projection

**Product Name:**

Pad eye mk-104 cradle

**Special Features:**

If fabricated by welding heat treat to t6 condition per mil-11-6088 after welding and anodize per mil-a-8625 type ii class i

**Surface Treatment:**

Anodize washer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
