Overall Length:

10.811 inches

Overall Height:

5.660 inches

Overall Width:

7.175 inches

End Application:

NSN:-49-350-1136

Product Name:

Bracket, mounting

Special Features:

Card guide = right hand

Material:

Aluminum

Material Specification:

Asme y14.100 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
