**End Application:**

Door, wt, clear opening, lh, 30inx63in

**Material Hardness Rating:**

75.0 durometer

**Product Name:**

Found on dwg name: aluminum doors watertight, quick acting sub-assemblies & details

**Material:**

Rubber chloroprene class cr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535I0
