Overall Length:

3.250 inches

Overall Height:

2.000 inches

Mounting Hole Diameter:

0.281 inches

End Application:

0e-222a/g-antenna group

Product Name:

Bracket, level vial

Material:

Aluminum alloy

Surface Treatment:

Paint

Surface Treatment Specification:

Rustoleum system 9400, 10.1 color 17875 per fed-std-595 federal standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
