End Application:

Mv-22 aircraft

Product Name:

Inavy - plunger, ball

Special Features:

Ball material: stainless 440; thread: 2a-unc; locking element; thread inch 1/2-13; min. Force: 3.00, max. Force: 6.00

Material:

Stainless steel spring

Surface Treatment:

Oxide body

Thread Series Designator:

Un

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
