Material Thickness:

0.032 inches

End Application:

2320-01-371-9583; truck, utility

Fastening Device Type:

T-bolt

Loop Inside Diameter:

15.000 inches

Special Features:

Clamp assembly, over center air cleaner

Material:

Stainless steel

Surface Treatment:

Passivate

Surface Treatment Specification:

law astm a967 mfr ref single treatment response

Style Designator:

T-bolt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
