Overall Width:

1.120 inches

End Application:

3835-01-511-7335

Fastening Device Type:

Pressure seal

Features Provided:

Clip

Material:

Plastic

Style Designator:

Center mount

Supplementary Features:

Material is nylon 6.6, color natural, ul recognized e136577, height 0.63", length 1.24", max. Bundle diameter 0.62", environment indoors/high temp, maximum static load 0.70 lbs.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
