Overall Length:

5.370 inches

Overall Height:

2.110 inches

Overall Width:

3.250 inches

Mounting Hole Type:

Plain

End Application:

Ot-208 cvj/g, transmitter group

Hole Quantity:

6

Product Name:

Bracket, waveguide

Special Features:

Mounting holes are slots 0.630 inches long; 1st leg 0.750; 2nd leg 1.480; flat 5.120 inches; color is semi gloss grey

Material:

Aluminum alloy 5052

Material Specification:

Astm b209, 5052-h32 assn standard all material responses

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
