**Width:**

16.000 inches

**Edge Shape:**

Rectangle, no holes

**Length:**

12.030 inches

**End Application:**

Patriot

**Special Features:**

Made from 0.062 inch thick aluminum; chemical film per mil-c-5541, class or 3 chromate only

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qq-a-250/8 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0
