Overall Length:

7.000 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

1.000 inches

End Application:

Engine, aircraft f100-pw-229

Handle Clearance:

1.156 inches

Product Name:

Handle, blk diecast

Special Features:

Black die cast handle

Color:

Black handle

Style Designator:

Oval

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
