Overall Length:

15.960 inches

Overall Width:

12.780 inches

End Application:

B-1b secbm

Product Name:

Bracket, support

Material:

Steel comp 301

Material Specification:

Ams 5518 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
