Cross Sectional Shape:

Flat

Width:

7.780 inches

Edge Shape:

Rectangle, no holes

Length:

16.350 inches

Body Thickness:

0.250 inches

Securing Device Type:

Special

End Application:

Patriot missile

Special Features:

Next higher assembly 11442214

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
