Tube Outside Diameter For Which Designed:

0.625 inches

Overall Diameter:

Between 1.080 inches and 1.160 inches

Design Type:

Threaded

Material:

Aluminum alloy 3003

Material Specification:

Qq-a-250/2, 0 federal specification single material response

Thread Size And Series/type Designator:

7/8-14 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53910
