Thread Direction:

Right-hand

End Application:

Navstar global positioning system use (ue)

Mounting Facility Quantity:

3

Extended Length:

20.000 inches

Mounting Method:

Mounting slots and screw

Side For Which Designed:

Right hand

Product Name:

Chassis trak solid bearing slides

Special Features:

Standard hardware pkg includes all hardware necseesay to mount chassis trak

Material:

Steel slide

Style Designator:

2 - member

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
