**Thread Direction:**

Right-hand

**End Application:**

Navstar global positioning system use (ue)

**Mounting Facility Quantity:**

3

**Extended Length:**

20.000 inches

**Mounting Method:**

Mounting slots and screw

**Side For Which Designed:**

Right hand

**Product Name:**

Chassis trak solid bearing slides

**Special Features:**

Standard hardware pkg includes all hardware necseesay to mount chassis trak

**Material:**

Steel slide

**Style Designator:**

2 - member

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
