Overall Length:

4.000 inches

Overall Height:

0.880 inches

Overall Width:

0.400 inches

Overall Thickness:

0.120 inches

End Application:

2350-01-248-7619 bradley fighting vehicle systems (bfvs)

Mounting Method:

Drilled hole

Product Name:

Latch lever

Special Features:

After zinc-nickel plating coat with plastisol .03 mils to .09 inches thick

Material:

Steel

Material Specification:

Sae ams 4130 assn standard single material response

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524v0
