End Application:

2320-01-495-0110

Product Name:

Bracket, ladder, resupply vehicle

Material:

Steel

Material Specification:

Astm a36/a36m assn standard all material responses or astm a572/a572m assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
