**End Application:**

2320-01-355-4332

**Product Name:**

Bracket assembly enclosure mount

**Material:**

Steel

**Material Specification:**

Astm a572/a572m, grade 60, plate, .25 in thk national specification single material response

**Surface Treatment Specification:**

12420325, method 1 or 4 mfr ref single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
