Roller Holder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-537-2360

Overall Length:
11.940 inches
Overall Height:
5.380 inches
Overall Width:
0.500 inches
End Application:
NSN:-23-200-1447
Product Name:
Bracket assembly guide roller left
Special Features:
All welds are to be iaw aws di.l. Finish will be iaw 12420325 method or method 4
Material:
Steel
Material:
Steel
Supplementary Features:
Material is steel astm a572 grade 50
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T08100
