Overall Length:

3.250 inches

Overall Width:

0.260 inches

End Application:

Bpau handling tool kit

Construction:

Forged

Criticality Code Justification:

Agav

Product Name:

Heavy duty diamond pad eye

Special Features:

Heavy duty one piece precision casting without welds

Material:

Steel comp 316

Special Test Features:

2,000 lbs wll

Style Designator:

Bail

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
