Diameter:

1.600 inches

End Application:

1/4-2 bw & sw 900 lb ansi valve

Product Name:

Disk washer

Special Features:

X's donate interchangeability among assemblies in that category

Material:

Steel

Material Specification:

Aisi 4130 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
