Thread Direction:

Right-hand

Overall Length:

28.7 millimeters

End Application:

23120-01-530-3843 cargo truck

Mounting Facility Quantity:

1

Mounting Method:

Threaded hole

Mounting Facility Diameter:

25.6 millimeters

Overall Diameter:

25.7 millimeters

Product Name:

Hex flange collar

Special Features:

Material is low carbon steel; remove burrs and break sharp edges

Color:

Olive drab

Material:

Steel

Surface Treatment:

Zinc and chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
