Block Clamp - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-540-3706

Mounting Hole Quantity:				
2				
End Application:				
V-22 aircraft, wing electrical,	installation			
Mounting Facility:				
Unthreaded hole				
Product Name:				
Block clamp, electrical				
Special Features:				
Clamp block is multi-layered,	made of phenolic plastic sheet material,	laminated,	thermosetting per bell proces	ss specification 299-947-07
Material:				
Plastic phenolic				
Style Designator:				
Rectangular				
Shelf Life:				
N/a				
Unit Of Measure:				
				
Demilitarization:				
No				
Fiig:				
A105a0
