**Mounting Hole Quantity:**

2

**End Application:**

V-22 aircraft, wing electrical, installation

**Mounting Facility:**

Unthreaded hole

**Product Name:**

Block clamp, electrical

**Special Features:**

Block clamp is multi-layered, made of phenolic plastic sheet material, laminated, thermosetting per bell process specification 299-947-075

**Material:**

Plastic phenolic

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A105a0
