Mounting Hole Quantity:

2

End Application:

V-22 aircraft, wing electrical, installation

Mounting Facility:

Unthreaded hole

Product Name:

Block clamp, electrical

Special Features:

Block clamp is multi-layered, made of phenolic plastic sheet material, laminated, thermosetting per bell process specification 299-947-075

Material:

Plastic phenolic

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
