Mounting Hole Quantity:			
2			
End Application:			
V-22 aircraft, wing electrical,	installation		
Mounting Facility:			
Unthreaded hole			
Product Name:			
Block clamp, electrical			
Special Features:			
Block clamp is multi-layered,	made of phenolic plastic sheet material,	laminated, thermosetting pe	r bell process specification 299-947-075
Material:			
Plastic phenolic			
Style Designator:			
Rectangular			
Shelf Life:			
N/a			
Unit Of Measure:			
Demilitarization:			
No			
Fiig:			
A105a0
