Block Clamp - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-540-3716

Mounting Hole Quantity:				
2				
End Application:				
V-22 aircraft, wing electrical,	, installation			
Mounting Facility:				
Unthreaded hole				
Product Name:				
Block clamp, electrical				
Special Features:				
Block clamp is multi-layered,	made of phenolic plastic sheet material,	laminated, thermosetting	per bell process specification	299-947-075
Material:				
Plastic phenolic				
Style Designator:				
Rectangular				
Shelf Life:				
N/a				
Unit Of Measure:				
Demilitarization:				
No				
Fiig:
