Thread Class:

Unf-3a

Thread Direction:

Left-hand

Thread Length:

16.000 inches

End Application:

NSN:-39-900-1444

Thread Size:

0.750 inches

Product Name:

Ab series male rod end

Special Features:

Ultimate radial static load capacity = 28.081lbs

Material:

Steel rod end

Surface Treatment:

Chromate rod end

Supplementary Features:

Weight = .602lbs

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A264a0
