Overall Length:

2.125 inches

Overall Width:

1.500 inches

End Application:

End item nsn: 3990-01-444-6174 bitum distributor; engineering mission module (emm) used on the palletized loading system (pls).

Product Name:

Bracket-lever- 4 way valve actuator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
