Mounting Hole Type:

Plain

First Leg Length:

0.750 inches

Second Leg Length:

3.000 inches

End Application:

Oe-170 base antenna

First Leg Thickness:

0.120 inches

Second Leg Thickness:

0.120 inches

First Leg Width:

1.500 inches

First Leg Style:

Square

Material:

Steel

Material Specification:

Astm-a36 assn standard all material responses

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
