Overall Width:

0.7 millimeters

End Application:

2320-01-508-8859; truck, materials handling-container

Loop Inside Diameter:

10.3 millimeters

Special Features:

Metric, specification control drawing

Material:

Stainless steel

Style Designator:

T-bolt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
