Width:

1.250 inches

Thickness:

0.060 inches

Length:

7.000 inches

Mounting Hole Diameter:

0.009 inches all holes

Mounting Hole Quantity:

2

Special Features:

Silkscreen numbers and letter (hood must be open above 10 degrees f, hood may be closed below 10 degrees f) .25 high using yellow epoxy ink color no.13655 in accordance with mis-37271.Locate approximately where shown

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Paint

Shape:

Square

Surface Treatment Specification:

Mis-20007 federal standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
