**End Application:**

5895-01-526-8477, data analysis central

**Product Name:**

Commercial-strength neoprene rubber sheet

**Special Features:**

Sheet is 12" x 24" x 1"/can be cut with a scissors/color black/temperature m3..0 to 200 degrees f/tensile limit is 1000 psi

**Material Specification:**

Astm d2000 bc assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0
