End Application:

C-17a aircraft

Mounting Facility:

Countersunk hole

Product Name:

Retainer, latch

Special Features:

3.00 x .50 surface mount; 2 mounting holes 0.152 diameter

Material:

Aluminum alloy 2024

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 type ii, class (clear) military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10600

Mil-std (military Standard):

Mil-a-8625 spec.
