End Application:

1940-01-526-0770

Product Name:

Plate, tapping

Material:

Steel comp 304 or steel comp 316

Material Specification:

Astm a240 assn standard all material responses or astm a666 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
