First Leg Length:

5.000 inches

End Application:

2330-01-538-8517 semitrailer, tank

First Leg Thickness:

0.250 inches

First Leg Width:

3.500 inches

First Leg Corner Radius:

0.500 inches

First Leg Style:

Corner radius

Product Name:

Bracket, panel rear

Material:

Steel

Material Specification:

Astm a36 assn standard single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
