Material Thickness:

0.250 inches

End Application:

2330-01-538-8517

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250 assn standard single material response

Surface Treatment Specification:

Mil-dtl-53072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-dtl-53072 spec.
